

## MP3 Player

Part No. 03MP3-4xxx-ALU

Opti3's MP3 Player is the ultimate portable music station. Listen to your favorite MP3 or WMA (Windows Media) music or any FM station right from your pocket. The MP3 Player uses an internal rechargeable lithium battery that provides up to 12 hours of continuous skip-free playback. Record voice conversations with the built-in microphone. Use extra memory as a removeable data storage device. Simply plug your MP3 Player into any USB port wherever or whenever you need a quick recharge or access to vital data. Sizes range from 32mb to 512mb!

The MP3 Player can be customized with any corporate logo. Be on the cutting edge and stand out from the rest. Don't waste marketing dollars on print advertisement that reaches a limited audience. Give your customers what they need and will use everyday... the Opti3 MP3 Player! Contact us for more details.
